

New Glarus Brewing Co. APPLE

ALE

BEER

12 FL. OZ.

BREWED AND BOTTLED IN
NEW GLARUS, WI.

Apple Ale sings with the fresh crisp taste of Wisconsin Apples. Our Brewmaster begins with a brown ale base employing Wisconsin farmed wheat and a blend of Ontario, Macintosh and Jonathan apples. Our friends at Swiss Valley Orchards, here in New Glarus, squeak their apples all for this brew.

Expect this Ale to pour a beautiful copper color. The first touch of Apple will not so much greet you even before the glass touches your lips. So be sure to sip slowly and enjoy the fruits of Wisconsin harvest.
